DESCRIPTION

Repress of **Witchthroat Serpent**'s debut album. The trio were formed at the end of 2011 by **Fredrik Bolzann**, leader of the avant garde black metal band **Darvulia** and former bassist of **Malhkebre**, who recruited bassist **Lo Klav** and drummer **Niko Lass** to help him realize his doom-laden dreams. Mining a very similar territory to **Witchsorrow**, or the first **Electric Wizard** album, Witchthroat Serpent sound at once refreshingly distinct and instantly familiar. Their eerie, heavy-as-balls sound is going to make doom fanatics across the globe very happy indeed. The main success of Witchthroat Serpent's self-titled doom debut lies in the contrast between the raw vocals and the fuzzy guitars, both of which are produced by Fredrik Bolzann.
