DESCRIPTION

Repress of the sophomore album from **Witchthroat Serpent**. "The whole tone of the album is one of pure doom, though shades of psych rock and stoner metal do appear to show you there is much more to the band's sound. Though this will take a few listens to fully appreciate, as Witchthroat Serpent have created quite a complex album at times. Tracks such as 'Lady Sally, Into The Black Wood' and 'Mystical Detective' even venture into the world of prog rock as some of the guitar solos can only be described as epic." –**Outlaws of the Sun**
