DESCRIPTION

Three years after appearing on *Doom Sessions Vol 5* split, **High Reeper** are back with their most ambitious album yet, *Renewed By Death*. A true heavy metal assault of eight tracks that take you on a journey to the darkest depths and leave you there to rot. Featuring monolithic riffs that pummel you from the opening of the album to the close, guitar solos reminiscent of **George Lynch** and **Dave Navarro**, and powerful vocals that deliver a knockout blow. This album showcases the band's desire to keep evolving and exploring new sounds and ideas. *Renewed By Death* was produced, recorded, mixed and mastered by **Shane Trimble** at the band's brand new studio Sletner Sound, in Wilmington Delaware with **Justin Di Pinto** also engineering. The cover was done by Solomacello and photos of the band were done by **Drew Wiedemann**. Also available on black vinyl (HPS 317LP), yellow color vinyl (HPS 317LTD-LP), and orange/pink/purple color vinyl (HPS 317ULTRA-LP).
