### DESCRIPTION

Reissue of the **Sun and Sail Club** debut album with brand-new artwork by **Mirkow Gastow**. Sun and Sail Club's debut album *Mannequin* embarks on territory that is both new and exciting. Not surprisingly, *Mannequin* spearheads the obvious future and progression of hard rock fury, bringing to the table the true professionalism and mastery, and dynamic musicianship that has been on full display from **Fu Manchu**, **Kyuss**, and **The Obsessed** in years past, but also adds a completely new level of precision, technicality and accuracy to make an album that is almost completely flawless from start to finish. "Overall, this record is heavy and dark. It's Inspired by **Devo**, **Voivod**, **Kraftwerk**, **Torche**, **Slayer** as much as it's inspired by **Aswad**, **Joe Pass**, and **Wes Montgomery**. I wanted a super heavy groove that would support angelic vocal harmonies. I think we achieved that." -**Bob Balch**
