DESCRIPTION

Reissue of **Sun And Sail Club** sophomore album. The name might be the Sun and Sail club, but you'll find no yacht rock here. Instead of **Michael McDonald**, there is **Bad Brains**. **Kenny Loggins**? **Hall and Oats**? More like **Matt Pike** and **Lemmy Fucking Kilmister**. *The Great White Dope* is featuring members of **Kyuss**, **Fu Manchu**, and the **Adolescents**, containing ten riff-filled tracks of high energy, bullshit-free punk and sleaze. The song writing on *The Great White Dope* steers away from the experimental direction of their previous release, and it's laser focused on one thing: unapologetically rocking your face off. The vocoder is gone and they've recruited singer **Tony Adolescent**, who delivers balls to the wall vocals with no added effects or frills. The production, like the music itself, is loud, heavy, and beautifully simple. Also available on black vinyl (HPS 320LP), violet color vinyl (HPS 320LTD-LP), and black/white/orange color vinyl (HPS 320ULTRA-LP).
