DESCRIPTION

After a nine-year hiatus, **Sun And Sail Club** are back and they've come back swinging! This album is more aggressive than the previous album, as if that was even possible. Same line-up as before featuring **Scott Reeder (Fu Manchu/Smile)** on drums, Scott Reeder (**Kyuss/The Obsessed/Fireball Ministry**) on bass, **Bob Balch (Fu Manchu/Slower/Big Scenic Nowhere/Yawning Balch)** on guitar and **Tony Adolescent (The Adolescents)** on vocals. The album starts with a mellow jazz guitar piece and then proceeds to rip your face off until the end of the album, which closes with another solo jazz guitar piece. *Shipwrecked* is their strongest album yet. Fully realized and to the point. Fast and dissonant. Recorded at **Jim Monroe's** The Racket Room, Casa De Balch, and Scott Reeder's The Sanctuary. Also available on black vinyl (HPS 321LP), red color vinyl (HPS 321LTD-LP), and splatter color vinyl (HPS 321ULTRA-LP).
