### DESCRIPTION

"**Bob Balch** here. This second **Slower** record *Rage And Ruin* consists of **Amy Tung/Barryhouse (Year Of The Cobra)** on vocals and bass, **Esben Willems (Monolord)** on drums and myself **Bob Balch (Fu Manchu, Big Scenic Nowhere/Yawning Balch)** on guitar. When we started this album the original intention was to cover **Slayer's** EP *Haunting The Chapel* in its entirety. We started with 'Chemical Warfare' then went on to 'Haunting The Chapel' but once we got to 'Captor Of Sin' we realized that tune didn't want to be slowed down at all. So we started writing our own songs and I'm glad we did. The result is *Rage And Ruin*. Two sides with Slayer songs in the middle bookended by Slower originals. We are super proud of this record and can't wait for you to hear it! Mixed and mastered by the very talented Esben Willems. Recorded at our individual studios." Also available on LP (HPS 322LP), orange color vinyl (HPS 322LTD-LP), and white/orange/green color vinyl (HPS 322ULTRA-LP)
