DESCRIPTION

Brand new reissue of the **Nightstalker** legendary debut album *Side FX*. Nightstalker's debut album, recorded in 1993 and released in 1994, captures the raw, rebellious energy of the era, blending gritty, **Motörhead**-inspired heaviness with infectious grooves. Emerging from Greece during the height of grunge and alternative music, the band delivers a sound that's unapologetically rough and driven by a heavy, rhythmic pulse. Their music channeled the raw power of '90s rock while Nightstalker carved out their own space with their hypnotic riffs, groovy basslines, and a dark, rebellious spirit. A bold first step, this album sets the tone for Nightstalker's journey. Also available on black vinyl (HPS 324LP), blue color vinyl (HPS 324LTD-LP), and splatter color vinyl (HPS 324ULTRA-LP).
