DESCRIPTION

A mesmerizing journey of electronic and classical elements for this year most awaited series *D'Argent & De Sang* is the latest creation from French producer **Erwan Castex**, known as **Rone**, famous for acclaimed albums such as *Room with a View* (IF 1057LP, 2020) and *Tohu Bohu* (IF 1020LP, 2020), who won a César for his first soundtrack for **Frédéric Farrucci's** film *La Nuit Venue* in 2021 and the award for best soundtrack at the Cannes Film Festival for **Jacques Audiard's** *Les Olympiades*. Initially entitled *Tikkoun*, the next CANAL+ original series *D'Argent & De Sang* is produced by Curiosa Films and directed by multi-César winner **Xavier Giannoli**, with whom the composer worked closely to develop a subtle blend of electronic and classical sounds, a field in which Rone's reputation is well established. "By mixing classical orchestral textures with modern electronic elements, I wanted to symbolize the heterogeneity of the worlds that intersect in this story."
