### DESCRIPTION

Recorded in the southwest of France, **O'o's** second album broadens the group's musical horizons, enriched by the contrasts and surprises of rural life. Revisiting the animal parables from their first album *Touche* (IF 1074CD), **Victoria Suter's** lyrics draw inspiration from literature where humor and eccentricity blend with the mystery and supernatural elements of rural life, making her voice resonate in all its uniqueness. **Mathieu Daubigné's** productions serve as an ideal expressionist backdrop, showcasing incredible musical versatility by combining his expertise in club atmospheres, dynamic synthpop melodies, and contemplative experiments. *Songs of Wishes and Bones* is an album of chiaroscuro tones and a new centerpiece of the French indie-dance scene.
