## DESCRIPTION

**Jonny From Space** is the moniker of Miami-based producer, DJ, and co-founder of **Impacto, Jonathan Trujillo**. After two EPs on Omnidisc and a few more self-released, Incienso presents his debut solo LP, *back then I didn't but now I do*. Loping drum loops, warbling synth lines, sun-streaked pads and voice amble into the depths of the humid world Jonny's music inhabits, where tempos shift and often float off into the ether altogether. In the words of JFS himself – this album is "built 2 chill."
