DESCRIPTION

Lost Treasures is an essential selection of rare and previously-unreleased dubs from the legendary **King Tubby**. Taken directly from master tapes, these heavyweight versions of **Bunny Lee**-produced **Aggrovators** rhythms have only previously seen the light of day as sound system dub plates or rare Jamaican 7" B-sides in the mid-70s and none have ever appeared on CD. Available on 12-track 180 gram virgin vinyl and 14-track CD with extensive sleeve notes, this is the first in a series that includes similar releases from **Augustus Pablo**, **Lee Perry**, **Studio One**, **Channel One**, **Sly & Robbie**, and the **Wailers**.
