FILE UNDER - G - ELECTRONIC

DESCRIPTION

Königsforst – following the 1997 release of *Zauberberg* (KOM 370-1LP), **Wolfgang Voigt's GAS** project returned with *Königsforst* in 1998, a full-length that has stood the test of time as a template for introducing fundamentals of '90s techno into the principles of contemporary electronic music. Originally released in 1998 on the iconic Frankfurt imprint Mille Plateaux, and then reissued in 2016 as a part of GAS Box (KOM 370LP), *Königsforst* is now released on Voigt's own label, Kompakt, as a 180 gram, triple-LP vinyl in its original artwork. *Königsforst* brings glimmers of light into Voigt's dark, magnificent forest. Melodic strings and brass are added to his signature layers of ominous intensity. The forest path is laid out by muffled kick drums as classical music loops incessantly swirl with no direction. Includes download.
