### DESCRIPTION

Presenting the second thematic volume on the *Aquapelagos* series – a collection of split LPs where selected artists offer their own take into water surrounded cultures and communities. After the initial release of the anthology compilation *Aquapelago* in 2022 and the split LP *Atlantico* by **Lagoss & Banha da Cobra**, Keroxen introduces a unique collaboration in the series in the shape of no other than two improvising giants, **Mike Cooper** and **Pierre Bastien**. This second volume blows the lid wide open with a sound journey inspired by the equally majestic and mysterious Indian Ocean, a wide space of open ocean bounded by Africa, to the west, Asia to the north and north-west and Australia, to the south west.

### TRACKLISTING

- A1. Return to Chagos
