## DESCRIPTION

2014 repress, originally released in 2006. *Feast* is a fine selection of songs voiced by **The Congos** over some classic '70s rhythms which recalls the spirit captured by their *Heart of the Congos* masterpiece. **Cedric Mylton** is joined here by **Brent Dowe** for a powerful set of harmonized vocal statements with a strong Rasta message, with titles such as "Rasta Congo Man," "Watch and Pray," and the prophetic "Citizen of the World." The songs are complimented by the original, mainly **Bunny Lee**-produced '70s rhythms and the whole set is one of the most heartfelt and meaningful the Congos have recorded.
