DESCRIPTION

1991 release. **Joan La Barbara** begins *Sound Paintings* with a scream that pushes you into an unusual world of vocal sound. Her virtuoso singing style, developed over a 20-year period, can be heard on this disc, which combines some of her earlier works with more recent compositions. She takes her extended techniques, which include multi-phonics, overtone singing, and glottal clicks, and orchestrates them in layered soundscape compositions using from eight to sixteen tracks of material.
