### DESCRIPTION

Limited edition LP of 100 copies with special folded cover. Less a tapestry than an errant strand of lunatic fringe, *Hotel 10KM* pulls listeners through a jungle of abandoned airwaves, smoky jazz clubs, and lost VHS tape with the guiding hand of **Yado Tasu**'s distinct brand of kitchen-sink bedroom-funk. Imagine a soundtrack **Richie Unterberger** might dream up for his conversation pit and you're almost there. More than just record-collector music, *Hotel 10KM* is the groggy stirring of a record collection awakened. "Hotel 10KM was made in spare and forced moments with a Tascam four-track cassette recorder and a laptop in storage units, closets, bedrooms, a church, and a classroom from 2020-2023. It is maybe some or all of the following: a confused love letter to my family, a concept album about death, a stay-at-home parent's descent into madness, and/or a clumsy mélange of too many inspirations." Performing, digging, recording, and mixing by Yado Tasu. Lovingly mastered by **Chris Cline**.
