DESCRIPTION

An obscure country-psych rock relic from Kansas. In 1968 four of the five original members of **The Wizards From Kansas** formed a band called **New West**, and began playing in the Lawrence, Kansas area, at clubs and parties. Californian guitarist **Robert Manson Crain** joined the group soon thereafter, expanding to a quintet. Reaching on the same esoteric drift as **Clear Light** or **Emitt Rhodes**, the band unleashed an even excellent cover of **Buffy Sainte-Marie's** "Cod'ine," more in the vein of **Quicksilver M.S.**
