## DESCRIPTION

*Tone Float* is the debut and only LP by the German band **Organisation**. The band featured two **Kraftwerk** former members: **Ralf Hütter** and **Florian Schneider-Esleben**. The album was produced by **Konrad "Conny" Plank** and it was an astonishing example of free rock meets avant-garde music, including a great variety of abstract noises, percussions and organ chords. Contrary to others Kraftwerk albums this one is really groovy and trippy. The psychedelic shape of a cult to follow.
