DESCRIPTION

Bananarama celebrate over 40 years at the top with the release of *Glorious - The Ultimate Collection*. With 40 tracks selected by **Sara** and **Keren** themselves, the double CD album revisits every decade of the band's career, with hits including "Cruel Summer," "Venus," "Love in the First Degree," "Only Your Love," "Preacher Man," "Move in My Direction," and more, along with two new singles, "Feel The Love" and "Supernova." The LP edition features 16 tracks: singles and new remixes of classic hits, and "Feel the Love" and "Supernova" for the first time on vinyl. Bananarama are the original girl group. They're featured in *Guinness World of Records* for the most internationally charted hits by an all-female band, with in excess of 30+ million sales worldwide.
