DESCRIPTION

Celebrating 45 years of **Blancmange**, *Everything Is Connected (Best Of)* is the first collection to be curated by **Neil Arthur**, tastefully blending a mixture of hits and personal favorites. Originally from the UK's post punk DIY scene, Blancmange found success in 1982, LP *Happy Families* selling Gold in the UK, and its three singles becoming international hits. They went on to have seven Top 40 hits and 70 weeks in the UK album charts. Long-standing admirers include **Moby**, **John Grant**, and **Honey Dijon**, who states that "British synth pop was hugely influential in the burgeoning house music scene and Blancmange was a big part of that." Contains the Top 40 hits "Living On the Ceiling," "Waves," "Blind Vision," "Don't Tell Me," and **Abba** cover "The Day Before You Came," as well as recent favorites "What's The Time," "Reduced Voltage," and "Some Times These."
