### DESCRIPTION

London Records present a reissue of **Happy Mondays' Pills 'N' Thrills And Bellyaches**, originally released in 1990. *Pills 'N' Thrills And Bellyaches* was Happy Mondays commercial peak, both a No. 4 victory (in the UK) and a benchmark album in history. That year the Mondays made a generation feel like the freaks were winning again, the dreamers and schemers hurtling in from the shadows to park themselves, like grin-faced goblins, in the daylight glare of the mainstream. Artwork lovingly replicated by original Manchester designers Central Station Design. Featured the singles "Step On", "Kinky Afro", and "Loose Fit". 180 gram vinyl; gatefold sleeve; printed inner-sleeve; includes download code.
