## DESCRIPTION

**Utah Saints** are one of the most important acts since the inception of electronic dance music. Early adopters of sampling, they brought the artform – used chiefly in hip-hop in the 1980s – into new realms. Incorporating rock, dance and hip-hop elements into their music, they scored five Top 40 UK singles including "Something Good" and "What Can You Do For Me" and a Top 10 album in the space of just two years. Out of print since its original release over 30 years ago, Utah Saints' eponymous debut album returns – remastered extended with three sought after remixes by **CJ Bolland**, **DJ Misjah**, and **Union Jack**. Includes special limited edition mirror board packaging, for National Album Day 2024.
