DESCRIPTION

Considered the best of the four solo albums that **Kiss** released simultaneously in 1978, *Ace Frehley* does not stray far from Kiss's trademark heavy sound. With future David Letterman band members drummer **Anton Fig** and bassist **Will Lee** backing him up, Frehley shows that he is more than a songwriting match for bandmates Simmons and Stanley. In fact, the album yielded a Top 20 hit in "New York Groove."
