DESCRIPTION

Everything flows. **Arutani**'s third album is a very personal note on change and life. The stories listeners see and create, the balance of hope and melancholia that accompanies every step they take. Calm, light, modest and mindful as the artist himself, with a glimpse of light in every aspect. Minimal in character and rich in detail. Luise is once again oh so happy to give a home to this masterpiece. Also featuring **Sea Change**.
