## DESCRIPTION

In January of 1980, **Joy Division** kicked off a tour of The Netherlands, Belgium, and Germany with a show at the legendary Paradiso Club in Amsterdam. Little did anyone know that in less than six months, **Ian Curtis** would be dead, and the brief, brilliant run of the group would be over. This is a particularly heavy and deep set, with the band performing at their angular best, and Curtis in top form vocally. Essential live broadcast for any fan of Joy Division.
