DESCRIPTION

Embark on a captivating auditory odyssey with **Unglee Izi**, an avant-garde artist from France. This singular track, spanning precisely one hour and eight seconds, was meticulously crafted around Paris, where studio time was exchanged with luminaries like **Kali Malone** and **Stephen O'Malley**. *The Wall Of The Altar Star – Musique Du Solitaire* is a free-spirited electronic exploration where musical boundaries are stretched, and the wild and the sophisticated coexist in harmonious chaos. The tactile experience is enhanced as the CD comes accompanied by a 12-page booklet, thoughtfully curated with Unglee Izi's own poignant poetry. Notably, the CD's exterior panels are adorned with gold foil hot stamping. For the most immersive experience, we recommend indulging in this with a pair of high-quality headphones. Artwork by **Unglee Izi**. Recorded at the church of Angé and ASMA studio.
