## DESCRIPTION

After the major success of *Part 1* (MALKA 005A-LP, **Cosmo Vitelli** and Malka Tuti are presenting *Holiday In Panikstrasse Part 2*, the second and final part of Cosmo's release on the label. After collaborating with **Fantastic Twins** on *Part 1*, the amazing **Julienne Dessagne**'s vocals are back on *Part 2* as well for the opening track "Fragments of Reality". Another collaboration on the record is with Croatian singer and vocalist **Tanja Vezic**, who collaborated with Cosmo on his *Les Disque De La Mort* release, and who gives a cinematic sort of feeling to the track "Party Old Boy". With "He Just Wanted To Hang Out With The DJs", Cosmo creates a slow burning dark banger that will not go unnoticed. The final track "Irritable" is the perfect mixture between German krautrock heritage and the French disco-synth touch of the '80s – emotional, growing, and cathartic, one cannot stay indifferent to it. Mastered by **Gordon Pohl**.
