DESCRIPTION

As the opening line states in **Mal-One**'s latest single release, "Mr **Rotten** lead the charge and in many respects took most of the impact." Whether that be from the media, the government, the people or in fact from his own management, his stance and attitude made it all the easier for listeners all to follow through the many doors he pushed open. Although **Neil Young** mentioned his name in song many years ago, Mal-One felt that his deserved the full nine yards, or three minutes. So here is his heartfelt sonnet to the man. They took his name away and forced him out of the country. The leader of the pack and come judgement day he will be the one who cannot be forgotten.
