DESCRIPTION

A rare album, *Fisher* was originally released on the Nentu label in 1976. Think **Grant Green** meets **Eddie Hazel**. This LP has it all: gorgeous soul jazz, wahed-out fuzz rock, dirty, head-nodding funk rhythms. It's a monster psychedelic soul-funk instrumental album. This is less jazzy than the *Third Cup* and *The Next One Hundred Years*, released by Chicago's Cadet label and more cosmic psych funk across both sides and gets super exploratory and trippy. 180g vinyl in deluxe hard-cardboard sleeve cover with obi.
