### DESCRIPTION

**Greg** is in a state of grace. Following the great reception of his third work (the acoustic yet soulful *Songs For These Times* (MD 006CD)), the man returns, right on time, with a new album under his arm. And it comes full of surprises and collaborations – more than ever. In **Greg 'Stackhouse' Prevost's** fourth album, *After The Wars*, you will find true folk rock wonders, classy Baroque pop and psychedelia, country, blues, gospel, and – of course – straight rock and roll. This is a festival of good taste in the form of songs infused with shiny 12-string guitars, plush acoustics, crafted vocal harmonies, wailing harps and hypnotic arrangements of cello, piano and organ, steel guitar, and much more! All of this, rounded off with a simply perfect production, makes *After The Wars* Greg 'Stackhouse' Prevost's most varied, complete, and best album to date.
