### DESCRIPTION

The show at Tavastia, in Helsinki, Finland, recorded on June 18th 1993, **Townes Van Zandt**'s first visit to the country. Stripped back, it features just the voice and guitar of TVZ, a voice that whilst still full of conviction, appears somewhat more fragile than on the previous recordings. Described by **Billboard** magazine as "largely-obscure-if-legendary," Townes Van Zandt was a remarkable singer/songwriter, and this release is worthy of consideration, shining, as it does, more bright rays of light on a much-missed songsmith.
