DESCRIPTION

2013 release. **Edward Artemiev's** re-recording of his scores to **Andrei Tarkovsky's** classic films *Зеркало* (*Mirror*) (1975) and *Сталкер* (*Stalker*) (1979), reissued on 180-gram vinyl. When Artemiev recorded these scores in Moscow in 1989 and '90, there were no legitimately available releases of the original soundtracks. Artemiev chose to fill that void himself with these recordings, released on Torso Kino in the Netherlands as part of a 1990 double-LP set also containing re-recordings of Artemiev's score to *Солярис* (*Solaris*) (1972). This set is now long out of print, and Mirumir is pleased to present the collection on two separate LP releases, remastered, with new artwork, and officially licensed by the artist himself.
