### DESCRIPTION

This record contains four tracks taken from a live performance which took place on December 3rd 2021 at the Vinyl Harvest record store in Esch-sur-Alzette Luxembourg. The concert was curated by non-profit organisation I Am Esch Twenty Too and the label mint.conception.recordings. I Am Esch Twenty Too was founded in 2020 as an alternative suggestion to the city of Esch-sur-Alzette being European Capital of Culture 2022 and its role and program. The budget for this concert was generated by the entrance fee to the concert only. **Jan Jelinek** has for more than 20 years been one of the most essential voices in contemporary electronic music. **Arthur Clees** is a young percussionist from Luxembourg and a bright talent intent on finding his own way into jazz, improv and electronic music. Both performers had never met each other before. Recorded by **Karl Humbug** at Vinyl Harvest for mint.conception.recordings. Mixed by Jan Jelinek. Mastered by **Giuseppe Ielasi**. Design by **Erik Mathias**.
