FILE UNDER - R - ELECTRONIC

DESCRIPTION

Electronic music visionary **Rodriguez Jr.** presents his third album *Bliss* on the revered Berlin-based label Mobilee. The LP sees his creative imagination run free and results in his most inspired work to date. Rodriguez Jr. has championed a captivating sound of melodic house and techno that cannot be pigeonholed, his vast experience of electronica making him the world-renowned producer and live performer he is today. In 2017 he released the stunning *Baobab* album, the follow up to his impressive debut *Bittersweet* (MOBILEE 013CD, 2011) and *Bliss* is the next exciting chapter to be unveiled. Inspired by the deep rooted and wide-ranging influences of **Olivier Mateu** including the literary atmospheres of **Modiano** and monochromatic paintings of **Pierre Soulages**, *Bliss* rewards fans both old and new alike. The album also sees a new pop influenced side of Rodriguez Jr. on two tracks, collaborating with **Nouvelle Vague** singer **Liset Alea**, creating beautiful moments of serene disruption. Transparent blue vinyl; gatefold sleeve, 4c printed inner sleeves.
