DESCRIPTION

Modern Obscure Music presents *Sakuraza*, a live album featuring **Eiko Ishibashi** (flute and electronics), **Jim O'Rourke** (electronics), **Kei Matsumaru** (alto saxophone), **Tatsuhisa Yamamoto** (drums), and **Giovanni Di Domenico** (piano). Recorded at the Sakuraza jazz club in Kofu, Japan, this dynamic and sophisticated performance blends jazz, electronic music, and pop elements. Giovanni Di Domenico, a frequent visitor to Japan, organized this June 2023 concert with long-time collaborators Ishibashi, O'Rourke, and Yamamoto, and invited saxophonist Matsumaru. The warm, intimate setting of Sakuraza provided the perfect backdrop for their unedited, improvisational session. *Sakuraza* captures the deep musical connection and spontaneity of these artists, offering an immersive auditory experience. Recorded on June 14, 2023.
