DESCRIPTION

Idealism Forever is the reissue of **Digitalism**'s genre defining debut studio album from 2007. Now it will be released as a remastered 3LP set with 2x12" on colored vinyl and 1x12" LP on etched vinyl with bonus tracks, a poster, spot lacquer paint, as a limited edition. To date the album tracks have been used in numerous games and commercials. They have been sampled and used in new song interpretations all around the world. The songs have millions of streams over the different platforms and never lost their appeal. The new analogue master of the album shows the songs in their best outfit and the bonus material, which originally was recorded while making the album back in the days, have never been heard before.
