DESCRIPTION

Anetha presents her inaugural solo album under her own label Mama Told Ya, marking a significant milestone in her career. *Mothearth* is a celebration of Anetha's decade-long journey in the music industry. It also commemorates the fifth anniversary of her label and its 12th release. Anetha is set to unveil not only her musical prowess but also her critical insights into the music industry and society at large, representing a significant moment of artistic revelation and self-expression. Definitely post-club, freed from the codes, engaged, this landmark album serves as a declarative statement for Anetha, an assertion that she wants to explore the entire spectrum of electronic music. *Mothearth* includes two LPs and ten tracks. All of them are produced by Anetha. Mix and mastering by **Le Dom**. Artwork by **Elmo Mistiaen**.
