DESCRIPTION

Eye Of Delirious is a long-awaited debut of Muscut's release of **Chillera**'s bass player **Ganna Bryzhata** – an Odesa-based sound artist. This ambient LP is a smoothy-flow sub-nautical journey with the songs of Black Sea sirens glowing under the moon.

"Ganna Bryzhata's ethereal, shape-shifting electroacoustic experiments feel equally conducive to beatific calm and deep melancholy." –Pitchfork

"Fortunately **Bryozone** is not singing and not going in a dream-pop direction – this is a non-obvious, evocative, in a way visual, and narrative soundtrack to the journey to the Black Sea coast. Or elsewhere in the middle of hot summer, as this album with scraps of rhythm, melodies, and hazy vision of sunny afterimages catch with a very impressive and suggestive story." –The Quietus
