DESCRIPTION

Mule Musiq welcomes another fresh producer to its vast catalogue of music from all around. This time **Andro Gogibedashvili** aka **Saphileaum**. A deeper shade of soul, precisely fashioned, growing from different playgrounds of inspiration. *Exploring Together*, his debut album for Mule, navigates a merry-go-round of gentle driven rhythm zones. Fourth-world spheres, Balearic tropes, field recording zones, tropical downbeat, tribal percussions, trancing sounds, balafon hums, mallet airs, hooky house – it's all there, circling the eavesdropper into a dreamland of melodic undercurrents. *Exploring Together* is vast. Multifunctional. Spiritual. Made for gatherings. Lost in music actions, only touched by the hand of rhythm and sound. His ten tracks are created for such flashes, wide spreading a musical narration of illuminating durability.
