DESCRIPTION

Icelandic musician and visual artist **Sunna Margrét** presents her debut full-length album, *Finger on Tongue*, via No Salad Records. Citing influences from krautrock legends **CAN** and **Neu!**, outsider synth pop artist **The Space Lady** and electronic music pioneers **Suzanne Ciani** and **Eliane Radigue**, *Finger on Tongue* is a masterclass in experimental pop, capturing an authentic Icelandic essence through its electronic and spellbinding sounds. Some tracks offer softness and peace while others invite you to dance, and the album homogeneity is precisely ensured by the rigorous approach to writing.
