### DESCRIPTION

Italian artist **Fedele** unveils exciting project *Depth Of Being*, which again finds him exploring all new electronic music realms. The 11-track album arrives on his own label Obscura and is his first since going solo. Fedele is a key part of the underground scene and has been working alone for the last three years since his departure from **Agents of Time**. He has truly made his mark in that time with music on the likes of Ellum Audio, Tiga's Turbo Recordings and his own Obscura. This superb new album is a mix of stylish progression from the signature sound Fedele is known for while the other side of the album dives more into the experimental world, using more vocals than before.

### TRACKLISTING

- A1. Departure (Intro)
- A2. There's Only One
- A3. Your Eyes
- B1. Waiting For The Night
- B2. Endless Sequence
- C1. Now Or Never
- C2. Beyond Borders
- C3. Riot Braindance
- D1. Tangent
- D2. Depth Of Our Love (Theme For Rommy)
- D3. Tension Builder (Outro)
