DESCRIPTION

RSD 2023 indie exclusive. Official RSD UK Release. Transparent red vinyl. The **E.A.R.** debut project, *Mesmerised*, is a total collage of drones, tones, and endless atmospheric washes that becomes a logical extension of earlier works into realms of psychedelic haze. This mysterious and beautiful sound is a complete exploration into '90s post/space rock. Only released on vinyl once in 1994, this RSD 2023 release has been created to exactly replicate the Space Age Recordings release from 2009. Transparent red vinyl, inside a clear acetate bag with concentric circles and the EAR logo printed direct to it.

TRACKLISTING

01. D.M.T. Symphony (Overture to an Inhabited Zone)
02. California Nocturne
03. Mesmerise 4901
