DESCRIPTION

The ever-evolving beat maker and jazz aficionado **Shatter Hands** audibly took space to grow for his fifth album, amounting to his most versatile body of work yet. His all-new approach of recording and sampling musicians around him results in a wild yet super coherent ride through ambient jazz, Afro-influenced drum work and stinky basslines that will make you want to get sum. *A Show Of Hands Vol. 1* is packed with knowledge from years of digging and beat making, yet super open and fresh towards the future side of sound. This is the first project by Shatter Hands using almost exclusively live instrumentation. A mix of future thinking jazz, beatmaking and electronics. Featuring well-established guest musicians from Denmark and Germany: **Christoffer Holm Clausen, Maria Dybbroe, Grégoire Pignède, Heine Abbø, Rasmus Riis Sitarz, Oddbjørn Flavia Huarachi Jørgensen, Mette Dahl Kristensen, and Albert von Bülow.**
