DESCRIPTION

Monochord are Vienna-based musicians **Bernhard Hammer** and **Jakob Schneidewind**, two thirds of **Elektro Guzzi**, though Monochord paints a different picture. Electroacoustic experiments and filmic elements define the music that develops instinctively yet irrevocably, a sense of forward motion setting them apart. Compositionally minimal, their tracks maximize their inherent potential all the way through to their logical and even illogical end. Referencing electronica, ambient, shoegaze and at times modern classical harmonics, Monochord builds and unbuilds in a slow heartbeat. Introspective and filmic, its quiet and non-confrontational nature makes Monochord move in the interzone between various spheres. Their music escapes definition and that is its truest definition. Its subtle pulse and evocative and drony feel invite and inspire. Featuring **Franz Hautzinger** and **Renee Benson**.
