DESCRIPTION

Since they shook up the scene with their *Space Mambo* (PENN 005CD) in 2014, **The Limboos** haven't stopped touring and reinventing themselves. However, it is in their fourth album, *Off The Loop*, where they inaugurate a new cycle that confirms the restlessness and nonconformity of the band in the search for their own sound. How to define *Off the Loop*? The nine songs and 35 minutes of music included here reflect this broad perspective: lysergic passages, baroque pop, and beautifully crafted psychedelia intertwine with cinematic atmospheres, fuzz guitars, galactic keyboards and unique arrangements. In short, The Limboos' sound has reached a place you never suspected. It's time for you to discover it.
