DESCRIPTION

DJ City, hailing from Stockholm, is a D.J., a poet, a producer, a chronicler of contemporary urban nightlife, and a romantic. His homes are the clubs of Europe, the streets of cities like Stockholm, Berlin, Milano, Munich, Paris, Rome. Berlin, where he lives a good part of the year, has become a second home, and Cocktail D'Amore, Panorama Bar, or his own party Bad Dad are his playgrounds.

Musically, this album is a journey between classic house, Scandinavian disco with a pleasant hint to pop. DJ City is someone you want to know, meet and mingle with. A true creature of metropolis, witty, charming, seductive, mysterious! An entertainer. The record mirrors his personality. Find pleasure and fun, but beware there is always more below the surface.
