DESCRIPTION

Ruby is back, and after her last album *UPP*, she is delivering another amazing full length titled *Yummy*. Currently putting extra focus on her productions she is keeping busy (already working on another follow up). Dive into her sonic world that is getting more and more refined. You can hear that it's **Nice Girl**: the playfulness, the humor, the melodies and the omnipresent fun vocal bits all make her sound stand out. As usual *Yummy* is a wild mix of fast, driving, up-tempo songs and more relaxed, dreamy bits that can be filed under "lounge" in the best possible way. Dig it! Also featuring **Michael Kime**.
