### DESCRIPTION

"Grand Canyon: the trip of a lifetime. You're locked in beauty, the memories of the limestone, the secrets of the mountains. When you approach them, you have the distinct impression that you're facing castles, monasteries, cities; but they suddenly disappear, like fantastical dreams, illusions, or mirages. You become a traveler in the land of dreams and Fata Morgana. It's a place, where only Silence speaks. And it was this Silence that inspired me to compose *Melancholy*." -**Zbigniew Preisner**
