DESCRIPTION

Cassette reissue of **The Residents'** *Eskimo*, originally released in 1979. In 1979, "punk" music was all the rage. The Residents had gone through the punk stage three years earlier were ready for anything that was not punk. When it was finally released *Eskimo* was a hit, both in sales and in reviews. The album tells the story, without words, of the assimilation of a ritualistic society into consumer culture. This story unfolds as *Eskimo* fables set to the grinding of sound effects and music. *Eskimo* is, quite literally, a unique experience.
